

Second day of the Thirteenth Meeting
MC(13) Journal No. 2, Agenda item 8

DECISION No. 2/05 MIGRATION

The Ministerial Council,

Reaffirming the commitments related to migration, and in particular regarding migrant workers, and other relevant commitments, especially those recognized in the Helsinki Final Act (1975), the Madrid Document (1983), the Vienna Final Document (1989), the Copenhagen Document (1990), the Charter of Paris for a New Europe (1990), the Moscow Document (1991), the Helsinki Document (1992), the Budapest Document (1994) and documents adopted by the Ministerial Council in Maastricht (2003) and Sofia (2004),

Recognizing the increasing importance of migration, as well as the challenges and opportunities that it presents to participating States,

Further recognizing that migration is becoming a more diverse and complex phenomenon, which needs to be addressed in a comprehensive manner and therefore requires a cross-dimensional approach at the national, regional and international levels,

Recognizing that all States should adopt effective national frameworks in order to manage migration,

Underlining that migration is inherently a transnational issue requiring co-operation between States,

Acknowledging that migration constitutes an important economic, social and human factor for host countries as well as for countries of origin,

Acknowledging also that successful integration policies that include respect for cultural and religious diversity and promotion and protection of human rights and fundamental freedoms are a factor in promoting stability and cohesion within our societies,

Determined to fight illegal migration and to address its root causes,

Bearing in mind the different approaches to migration issues by the OSCE participating States, and drawing on their experience and best practices,

Taking into account the initiatives taken and the work done by the OSCE during 2005 in addressing the issue of migration and integration, in particular, the Human Dimension Seminar on Migration and Integration, the Thirteenth OSCE Economic Forum and the 2005 Mediterranean Seminar,

Welcoming the existing co-operation between the OSCE, in particular, the Office for Democratic Institutions and Human Rights (ODIHR) and the Office of the Co-ordinator of OSCE Economic and Environmental Activities (OCEEA), and relevant international organizations and institutions,

Considering that the OSCE, within its comprehensive approach to security, could contribute, *inter alia*, by:

- Working in synergy and developing a stronger partnership with international bodies having a specific focus on migration,
- Facilitating dialogue and co-operation between participating States, including countries of origin, transit and destination in the OSCE area, as well as the OSCE Partners for Co-operation and Mediterranean Partners for Co-operation,
- Assisting the participating States, upon their request, to develop effective migration policies and to implement their relevant OSCE commitments,
- Inviting participating States to consider becoming parties to relevant international instruments,

Tasks the Permanent Council to follow up the work initiated in 2005 and to report to the Fourteenth Meeting of the Ministerial Council;

Tasks the Secretary General as well as relevant OSCE institutions and structures, to continue their work on migration issues in all three dimensions.
