EU statement on Abduction and illegal detention of Ukrainian citizens by the Russian Federation

The European Union recalls that all hostages and illegally detained persons related to the conflict in and around Ukraine should be released as stipulated in the Minsk Package of implementation measures.

We once again call on Russia to respect its international commitments and immediately release all illegally detained Ukrainian citizens without further delay. This includes Nadiya Savchenko, Oleh Sentsov, Oleksandr Kolchenko, and all other Ukrainian citizens who are being illegally detained in Russia and on the illegally annexed Crimean peninsula.

We remain deeply concerned about the health of Nadiya Savchenko who was abducted and illegally transferred to Russia in connection with the conflict in eastern Ukraine. We underline that Russia bears responsibility for the health, wellbeing and observance of the human rights of all the persons it illegally detains.
