FSC Journal No. 1070, Agenda item 2(b)

STATEMENT BY THE CHAIRPERSON

The Code of Conduct on Politico-Military Aspects of Security is a cornerstone OSCE document and its full, faithful and effective implementation remains key to advancing the security of all participating States.

Recognizing the importance of protecting children during armed conflicts, and the relevance of that task to the full and effective implementation of the Code of Conduct on Politico-Military Aspects of Security, I would like to draw your attention to a new document developed within the framework of the Code of Conduct, namely an indicative list of issues pertaining to children and armed conflict (FSC.DEL/421/23, dated 16 November 2023). The Chairperson of the Forum for Security Co-operation (FSC) encourages all participating States to make use of that document when exchanging information under the Code of Conduct.

The FSC Chairperson considers this indicative list of issues pertaining to children and armed conflict as Annex III to the Questionnaire on the OSCE Code of Conduct on Politico-Military Aspects of Security; notes that the provision of the information requested therein is voluntary in nature; and asks the Conflict Prevention Centre to take this list into account in the Announcing and Reminding Mechanism in relation to the exchange of information on the implementation of the Code of Conduct as of 2024.
