

HATE MONITOR

APRIL 2025

Hate-motivated incidents are often violent manifestations of intolerance which instil fear and divide communities. Tackling underlying prejudice is essential in combating the spread of these divisive actions. The OSCE Mission to BiH supports the work of government institutions, the criminal justice system, local authorities and civil society to effectively respond to these incidents. The Hate Monitor provides a monthly update on incidents and responses throughout BiH.

In April, the Mission supported the Herzegovinian Mountain Rescue Service in Čapljina in launching a new Education Centre. The event gathered around 50 participants, including representatives of local authorities, civil society, and EU-funded projects, to promote social cohesion, highlight the Mission's support to the Community Cohesion Action Plan, and encourage greater youth and volunteer engagement.

The Hate Monitor provides an update on all potential hate-motivated incidents and responses known to the OSCE Mission to BiH at the time of publishing the report.
