PROJECT BACKGROUND:

The project supports Ukraine in preventing and combating illicit trafficking in weapons, ammunition and explosives (WAE) addressing current and looming threats and risks.

The multi-year project intervention provides a comprehensive set of measures to strengthen capacities of the Ministry of Internal Affairs (MIA), the National Police (NPU), the State Border Guard Service (SBGS), the State Customs Service (SCS) and the Security Service of Ukraine (SSU), in particular through:

- Enhancement of the supervisory capacities in control of manufacture, marking and record-keeping of WAE;
- Enhancement of the operational capabilities in forensics, analysis and investigation of illicit trafficking in WAE;
- Assistance in the development of legislative mechanisms, as well as raising public awareness on risks related to illegal possession, misuse and trafficking of WAE;
- Enhancement of inter-agency co-ordination and co-operation resulting in development of strategic approaches, data collection and analysis in preventing and combating illicit trafficking in WAE;
- Strengthening capabilities to detect and seize illicit WAE through train-and-equip programs and canine assistance.
